Senior Surgeon's letter No 4488 dated the 2nd/4 April, 1904.

Note.

In his letter to the Senr. Surgeon, No 543 of the 14th March, 1904, Mr. P. S. Achyuta Rao brings to notice that he is senior to Mr. Ammyan Murst the Resident Medical Officer of the Victoria Hospl by 3½ years, and that nevertheless he has been getting a pay less than what Mr. Ammyan Murst, his junior has been getting. He states that in addn to the heavy work in the General Hospital, Mysore and other legitimate medical duties he has to render services on the Municipal and Local Fund Boards City Improvement General and the several Sub Committees thereof and the City Improvement Trust Board. In addn to these several duties he states he has also to discharge the duties of the Chief Plague Officer Mysore

across City, which embrace the superintendence of the Isolation Hospl, Office work, supervision of disinfection and frequent, if not daily inspection of the Mohallas He also adds that his income from private practice is very little and that he gives free medical aid to the poor and the rich alike

In the above circumstances the Civil Surgeon requests that he may be granted an addl allowance of Rs 100/-, and that thereby his emoluments may be made equal to those of his junior Officers above referred to.

The Senior Surgeon recommends the grant of the allowance of Rs 100/- asked for by Mr P. S. Achyuta Rao. He states "I maintain that Mr Achyuta Rao's duties are none the less responsible or arduous than those of the Resident Medl Officer of the Victoria Hospital, and as regards the question of private practice it is well known to everybody that the amount realized on this score is practically nil What form the allowance should take I leave entirely to Govt, feeling sure that they will recognize the justness of the claim advanced by Mr Achyuta Rao, who has during

I beg to state without reference
to the case now at issue, that
the grant of special allowance
to one leads on to similar grants to
others — & this will lead on to
unlimited Expenditure. — When
Grades & Pays are fixed, the
Special allowance question
should cease, I humbly think,
be permitted. — In the present
instance one having been given
free quarters, personal allowance & charge
allowance in addition to the
full pay of his Office, his
Honor very naturally asks
for similar increments urging
that otherwise he would in
effect be superseded this
therefore
prayer has to be pronounced to

Submitted to His Highness.

Mr. Atchyuta Rao, Civil Surgeon of Mysore, is senior, both in rank as well as service, to Dr. Armugam Mudaliar, Resident Surgeon of the Victoria Hospital, and his work is not less important or less appreciated by the public. In addition to his duties at the General Hospital, Mysore, Mr. Atchyuta Rao has also to serve on various committees and attend to important operation cases in the Female Hospital, which occupy much of his time. He is also put in charge of plague work, when the disease is not severe and does not need a full-time officer. His emoluments, however, are less than those of ~~the latter~~ Dr. Armugam. Excluding the house-rent of ₹40/- per mensem given to Mr. Atchyuta Rao, which may be taken as set-off against the free quarters allowed to Dr. Armugam Mudaliar, the former gets ₹600, as First class Civil Surgeon and an allowance of ₹100 for charge of Jail, total ₹700, while the latter gets ₹500, as Second class Civil Surgeon, ₹100 as personal allowance and ₹200 as Resident Medical Officer's allowance, total ₹800.

Mr. Atchyuta Rao feels it a grievance that his

junior should actually get ₹100 more than what he gets, and Dr. Benson considered it a valid one and has recommended his being placed on an equal footing with Dr. Armugam Mudaliar. Dr. Benson has also borne testimony to the efficient work done by Mr. Atchyuta Rao, combined with zeal, tact and judgment.

The Councillors and myself are agreed that Mr. Atchyuta Rao deserves consideration, and he may be given a personal allowance of ₹100 per month like Dr. Armugam Mudaliar.

No. C 488
Dated 2nd April 04

Sir,

I have the honor to forward herewith an application from Mr. P.S. Achyuta Rao asking that he may be given an allowance of Rs. 100/- per mensem to enable him to draw the same pay as — is now drawn by Mr. T.V.Armuga Mudaliar.

As Mr: Achyuta Rao points out he is 3½ years senior to Mr. Armugam and as will be seen from his letter he was promoted to the 2nd grade on Rs.500 a Month only after a service of over 6 years in the lower grade, whereas Mr. Armugam was promoted to the same grade after a short service in the junior grade

I have no wish whatever to begrudge Mr. Armugam, the allowance of Rs.200/- which he has been lately granted, as I have always entertained a high opinion of his work. I fail however, to see why Mr. Achyuta Rao who has done equally good work and who had he been placed in the same position as Mr. Armugam would I feel sure have performed the duties equally satisfactorily should draw less

When

When Plague is prevalent in Mysore a special officer is deputed on an allowance of Rs.200/- per mensem and when plague declines and he is removed the work devolves on Mr. Achyuta Rao without any allowance

At the commencement of the out-break of plague I recommended that no extra allowance should be given to Medical Officers for Plague work except for such charges as Railway Inspection and charge of special Plague Hospitals. Should the Government therefore contemplate the abolition of plague allowances the control of Plague operations in the city of Mysore will devolve on the Civil Surgeon.

It is true Mr. Armugam's allowance has been granted him partly on account of loss of private practice and partly owing to the nature of his duties.

I maintain that Mr. Achyuta Rao's duties are none the less responsible or arduous than those of the Resident Medical Officer of the Victoria Hospital and as regards the question of private practice, it is well known to every body that the amount realised on this score in Mysore is practically nil. Mr. Achyuta Rao attends both rich and poor free gratis. His average emoluments from private practice is Rs.35/- per mensem and the average number of visits at the lowest estimate is over a hun-

hundred a month.

Under these circumstances I consider it only just that Mr. Achyuta Rao should be placed on an equal footing as regards income as his junior

What form the allowance should take I leave entirely to Government feeling sure that they will recognise the justness of the claim advanced by Mr. Achyuta Rao who has during my tenure of office performed his work in a very efficient manner combined with great zeal, tact and good judgment.

Enclosure No.

Sir

I have the honor to respectfully invite your notice to the following.

(1) Only recently the Govt have been pleased to grant to Mr T. V. Arunyam an allowance of Rs: 200/- per mensem in addition to Rs: 100/- a month granted to him so long ago as October 1897 or so. The latter grant of Rs: 200/- has I learn been made to him as Compensation for want of practice or for his being by virtue of his office, prevented from taking private practice

(2) Mr Arunyam is my junior by nearly 3½ years and has been fortunate enough to

to be promoted to the 2d grade of Civil surgeons on Rs: 500/- after not more than 4 years of service as a quacka Civil Surgeon on Rs: 350/- p.m. - I have had to serve as a quacka Civil Surgeon from the 24th March 1891 to October 1897 when I got Rs: 500/- a month. I am full six years and more of service as a Civil Surgeon I got in the Malnad Districts of Kadur & Shimoga

(3) If Mr Arnyaam's duties are such that he has no scope for private practice & am sure that you know my work is not no way a sinecure one and that in addition to the heavy work in the general Hospital and other legitimate medical duties I have to render services to the Municipal and Local Fund Boards City Improvement General & the several sub committees thereof and the City Improvement Trust Board -

(4) If you are not aware of what precious little I have in the way of paying practice in this city & how unremunerative I render free medical aid to the poor & the rich alike -

(5) I do not for a moment grudge the allowance paid to Mr Arnyaam - all that I pray for is that my income as a quacka Senior Officer to him may be made at least equal to his -

(6) Under the terms of Govt Proceedings No: M. B. P. 1190-1 & 5th March 1904 the duties of Chief Native Officer have been tacked on to me - These duties involve the superintendence of the Isolation Hospital - office work - supervision of disinfection and frequent if not daily inspection of Asylums

(7) I shall be only too willing to do all this and more only I pray that you may be pleased to see that justice is done to me in the matter of my emoluments as compared with those of a junior officer to me by far.

(8) The additional 100 Rs: a month I now pray for may be given to me as an increase allowance for the combined duties of Superintendent & Medical Officer of the Civil Hospital or as a personal Compensation or the Superintendentship of Mr. Mahamuni Hospital or as a personal Compensation allowance -

Having regard to the justness of my claim I beg of you to kindly forward this application to the Govt: with your strong support & recommendation
